

CELEBRATE “**WORLD RIVERS DAY**” WITH THE

Big jump

2PM, SUNDAY 24TH SEPTEMBER, 2017

Did you know the **Big Jump** tradition started in Europe to celebrate rivers being clean enough that people can swim and play in them! For us it's a celebration of efforts to keep the river and her creeks clean for current and future generations to enjoy.

MaryRiverMonth will be kicked off with the “Big Jump” on **World Rivers Day, 24th September.**

So get your friends and family and community groups together and, at 2pm take a step, hop, splash or jump with joy into your local river or creek!

Please – SAFETY first. Check the depth of the water, check for obstacles in the water. Stay safe and have fun!!

Take a photo of you and your friends and family enjoying your local waterway on this day and email it to us to go into the draw for one of two junior kayaks kindly donated by  BCF Gympie.

For more details contact Mary River Catchment Coordinating Committee, 5482 4766 or maryrivermonth@mrccc.org.au or check out our facebook [Mary River Month](#).
