

**Establishing koala habitat connectivity in the
Gympie Regional Council area
“2018 trees to be planted in 2018”**

Expression of Interest:

- 1. Why I would like to plant some koala food trees on my property eg – have you seen koalas around your local area or on your own property?**

.....
.....

- 2. How large is your property? How many trees do you believe you can you plant and manage to establish in one planting?**

.....
.....

- 3. Do you need to work on removing weeds and weed vines? If so we can provide you with further information or contacts.**

.....

- 4. If you require assistance other than the attached brochure please note the type of assistance you require eg. Choosing a suitable area for planting. Working out how many trees would be required for an area etc.**

.....

- 5. I am interested in being involved in any joint community projects that may involve my own area or other landholders' properties.** Yes No

- 6. Would you be interested in becoming a member of the Koala Action Gympie Region (KAGR)**

Yes No
