

Creek Walks & Threatened Species Talks

You are invited to spend some time with specialists on species of the Mary River

Join our team on a creek walk to talk about the unique critters we are all working together to protect!
You can also meet the rest of the team as they drop in to sample water on the annual Catchment Crawl.

8:30am - 10am	Policemans Spur Road - Stream frogs and Conondale Crayfish
10:30am - 12 noon	Little Yabba picnic grounds - Australian Lungfish
3pm - 4:15pm	Obi Obi Creek Crossing 2 - Mary River Turtle /Mary River Cod

Wednesday 8th October 2025
