

Leap into the World of Frogs—and WIN! 🐸

Ever wondered what makes our local frogs so fabulous? Now is your chance to become an expert and walk away with a brilliant prize!

We've just released the [2025 Find a Frog in February Report](#), packed with fascinating insights into our local amphibious friends. To celebrate, we're giving you the chance to win a copy of Mike Donovan's stunning new book: **Reptiles and Frogs of Southeast Queensland**.

How to Enter:

1. **Read:** Dive into the 2025 Find a Frog in February Report.
2. **Quiz:** Test your knowledge by answering our quick frog quiz.
3. **Submit:** Email your completed entry to <mailto:findafrog@mrccc.org.au>.

Deadline: Entries must be in by **5:00 PM, Friday 27th February**.

The first correct entry drawn will take home the ultimate field guide! Don't miss out on your chance to discover the secret lives of frogs and add this must-have book to your collection.
