

Join us for a special night of film that combines powerful storytelling with urgent conservation action.
A true Love Letter to the unseen voices that need to be heard.

LOVE LETTER TO THE UNSEEN

Gympie Sovereign Cinema
Monday 22nd June 2026, 6.00 - 8.30 pm

The evening features the Queensland Premiere of the acclaimed documentary Love Letter to the Unseen, following young conservationist Spencer Hitchen and his journey to understand the threats facing the endangered Maugean skate, and the deeper meaning of protecting species that many will never see.

Macquarie Harbour, Tasmania, the sole remaining home of the Maugean skate, is at risk, but there's still time to act.

Following the screening, audiences will have an opportunity to hear directly from Spencer during a live panel discussion about youth conservation and the importance of protecting Australia's unique ecosystems.
